OFFICE OF THE DIRECTOR

Action Memorandum No. A-164Date 16 January 1963

TO :

Deputy Director/Intelligence
 Deputy Director/Plans
 Deputy Director/Research
 Deputy Director/Support
 Comptroller
 Inspector General
 General Counsel

SUBJECT : Coordination of Reports before Presentation to the Director

REFERENCE:

1. This memorandum is a gentle reminder to all addressees that reports on any subject, substantive or operational, should be coordinated by the originator with any other component having any interest in the matter. The occasion which precipitates this memorandum was a review at the Director's staff meeting on 16 January concerning the activation of high performance radars in Cuba, on which the DCI had been previously briefed. Unfortunately, the original briefing apparently gave the DCI an inaccurate impression of the true situation--an impression which he conveyed to higher authority.

2. In order to prevent a recurrence of this episode, please insure that a conscientious examination is made of each document leaving your office for the Director's office to guarantee that all other units concerned have been consulted and their views are reflected.
